MASON'S SPONSORSHIP FORM

2020 Skegness Charity Bike Ride – 82miles

..... is participating in an 82 mile bike ride from Annesley to Skegness on Saturday 7th July 2018
This year we are riding in support of Mason's Fundraisers. Mason was born at 31weeks weighing a tiny 2lb 4oz. Mason was taken to the NICU for respiratory and nutrional support. At 3 weeks old his parents received a heartbreaking phone call, Mason had fell poorly with an infection (Necrotising enterocolitis) which kills the bowel and eventually the baby, he was blue lighted straight to jessop wing for life saving surgery with only a survial rate of 25%. After 8 long hours mason returned alive but critically ill. Following a routine brain scan our world fell apart, mason had suffered a bleed on the brain both sides, front to back. The money will go toward improving the family home to help Mason live as much as a normal, less stressful life as possible. All the money we raise on our bike ride goes directly to charity.
